SUMMARY

DevOps engineer with 3 years of experience in the IT industry. Skilled in automating software deployments, developing continuous delivery pipelines, and managing cloud infrastructure. Proven ability to design and develop solutions to improve the stability, scalability, and efficiency of the software development process. Build, monitor, and manage a reliable and secure IT environment.

EXPERIENCE

DevOps Engineer

JisrHR

September 2021 – Present, Saudi Arabia

- Deployed and managed containerized applications at scale using Docker and Kubernetes, handling a cluster of nodes and managing over containers.
- Designed and implemented container orchestration, increase application scalability and reducing deployment time.
- Implemented CI/CD Pipelines using Semaphore and GitHub Actions, resulting in reduction in manual deployment errors and decrease in overall deployment time.
- Proficient in bash scripting, automated tasks, and improved efficiency by developing scripts that reduced manual workload and decreased system downtime.

CERTIFICATIONS

AWS Certied Cloud Practitioner

A Cloud Guru • 2022

Cloud and TCP/IP Pre-Requisite Knowledge

DolfinED • 2022

Linux Professional Institute (LPI)

Linux Academy • 2021

English Language Diploma

Modren International Institute • 2017

COURSEWORK

Introduction to Git and GitHub

2021

Security +

2021

Palo alto Firewall

2021

SKILLS

Cloud Platforms: Amazon Web Services (AWS), Google Cloud Platform, Oracle Cloud Infrastructure

Containerization and Orchestration: Docker, Kubernetes

CI/CD: GitHub Action, Semaphore.

Monitoring and Logging: NewRelic, CloudWatch

DevOps Methodologies and Best Practices

Version Control Systems: Git, GitHub

Scripting and Automation: Bash, Python, AWS Lambda, Jira Automation

Networking and Security: Firewalls, Load Balancers, VPNs

Incident Response and Troubleshooting

Performance Optimization and Scalability

Linux/Unix Systems Administration

Languages: Arabic, English

EDUCATION

Bachelor of Information Technology

Al-Rayyan University • 2021 • 89% Degree
